- (1) The postsecondary cumulative grade point average used to determine eligibility for a renewal of a TELS award, must be calculated by the institution the student is attending, utilizing its institutional grading policy and must be based on all credit hours attempted after high school graduation, except as otherwise provided in this rule.
- (2) All credit hours attempted at all postsecondary institutions the student has attended after graduating from high school and their corresponding grades must be included in the calculation of the postsecondary cumulative grade point average, regardless of whether the receiving institution will apply the credit hours toward the student's degree requirements. Except as provided in subparagraph (a) of this paragraph, credit hours that were repeated shall be included in the postsecondary cumulative grade point average calculation, and are counted towards the limitation on credit hours.
 - (a) A student shall have a one time option to repeat one course and utilize only the higher of the two grades in the calculation of their postsecondary grade point average for purposes of determining continued eligibility for a TELS award. The semester hours for both attempted courses, however, will be included in the one hundred twenty (120) limitation of semester hours.
 - (b) It shall be the responsibility of the student to advise the appropriate official of the eligible postsecondary institution when this option is being exercised.

(Rule 1640-1-19-.22, continued)

- (4) Credit hours earned by examination are not eligible for payment with TELS awards and shall not be included in the postsecondary cumulative grade point average or counted towards the limitation on credit hours provided in Rule 1640-1-19-.12(3).
- (5) Credit hours attempted as part of a diploma or certificate program of study are not considered to be college credit hours and therefore shall not be included in the postsecondary cumulative grade point average or counted towards the limitation on credit hours provided in Rule 1640-1-19-.12(3), unless those hours are accepted toward a degree.
- (6) Remedial and developmental studies and independent studies courses are eligible for payment with TELS awards and shall be included in the calculation of the postsecondary cumulative grade point average and shall be counted towards the limitation on credit hours provided in Rule 1640-1-19-.12(3).

If the grade change affects the student's eligibility from the previous award year, the TELS award may be adjusted in the current award year. The eligible postsecondary institution shall make necessary reductions in the student's financial aid package if the reinstatement of a TELS award results in either an over award of need based aid or exceeds the institution's cost of attendance for any semester. If the student's application for reinstatement is denied, he/she may appeal the decision in accordance with Rule 1640-1-19-.26.
- (10) A student enrolled in a matriculating status at an eligible postsecondary institution shall qualify for TELS award payment for distance learning courses if all other eligibility requirements are met. The semester hours shall be included in the postsecondary cumulative grade point average and count toward the limitation on credit hours as provided in Rule 1640-1-19-.12(3).
- (12) A student enrolled in a matriculating status at an eligible postsecondary institution may qualify for TELS award payment while participating in an alternative study or study abroad program if all other eligibility requirements are met. The eligible postsecondary institution which is the student's home institution must approve the alternative study or study abroad program for credit toward the student's degree and the number of hours that will be applied toward the degree prior to the student's departure.
- (13) Courses that appear on a student's transcript as an "incomplete" shall be considered credit hours attempted. The student's TELS award eligibility, however, shall be determined by excluding the

(Rule 1640-1-19-.22, continued)

credit hours attributable to the course for which an “incomplete” has been assigned from the cumulative grade point average calculation.

Retroactive TELS awards for previous award years shall be added to the current award year. The eligible postsecondary institution shall, however, make necessary reductions in the student’s financial aid package if the reinstatement of a TELS award results in either an over award of need based aid or exceeds the institution’s cost of attendance for any semester. It shall be the responsibility of the student to notify the financial aid office at the eligible postsecondary institution that a grade has been awarded and request that the TELS award be reinstated. Each eligible postsecondary institution shall develop a standard form for use by students to comply with this provision. If the student’s application for reinstatement is denied, he/she may appeal the decision in accordance with Rule 1640-1-19-.26.
 - (b) If the student retains eligibility for a TELS award as a result of the calculation, but later becomes ineligible when the grade for the “incomplete” course is reported, then the student shall be ineligible for all TELS awards. Additionally, the student shall reimburse the institution for TELS awards received in the interim.
- (14) If the student is otherwise eligible to receive a TELS award, but does not receive TELS funding, or TELS funding is reduced because his or her cost of attendance is covered by other aid, all credit hours attempted that semester shall still apply to the credit hour limitation provided in Rule 1640-1-19-.12(3).

A student seeking an appeal of a decision rendered by an IRP shall request an appeal, to include a written statement outlining the basis for the appeal as well as all pertinent information related to the appeal, with the Corporation within fourteen (14) calendar days from the date that the decision was delivered to the student. A complete record of the institutional IRP hearing shall be provided to the Corporation by the student. The Appeals Panel may award or reinstate the student's TELS award without a hearing. This decision shall be made no later than 30 calendar days after an appeal is properly filed and the record from the IRP hearing is received. If the Appeals Panel determines that a hearing is required, it shall provide the appellant with notice of the hearing date, such notice shall include the time and location of the hearing. The Appeals Panel shall hear the appeal no later than forty-five (45) calendar days after the appeal is properly filed, unless an extension is requested by the appellant and granted by the Appeals Panel. Except where exigent circumstances exist, the Appeals Panel shall render a decision no later than fourteen (14) calendar days after hearing an appeal. Such decision shall be reduced to writing and shall include a summary of the pertinent facts and issues and the panel's decision. The Appeals Panel shall provide a copy of the written decision to the appellant and the appellant's home institution as soon as practicable. The Appeals Panel is the final administrative appeal.
- (3) The authority of the IRPs and the TELS Award Appeals Panel shall be strictly limited to consideration of appeals arising from eligibility determinations made by an eligible postsecondary institution or the Corporation. Neither appeals panel shall have the authority to rule on the validity of any information provided to the eligible postsecondary institution or Corporation by another entity on which its decision to deny or revoke a TELS award was based, including, but not limited to high school grade point average, ACT or SAT scores, or grades from another eligible postsecondary institution. Additionally, neither appeals panel shall have the authority to consider requests for exceptions to the high school or collegiate grade point average.
